

## CS10XE

For Indoor Use

The CS10XE evaporative air cooler has a compact, light weight design with a curved body and attractive lighted control panel. It is user friendly with a 10 L\*\* water tank and efficient honeycomb cooling media. This evaporative air cooler delivers optimum cooling and humidification. The eye-catching CS10XE portable evaporative air cooler keeps the atmosphere pleasant in almost any small indoor space such as a small bedroom, office, child's play room or dining area. An angled LED control panel keeps operating functions in view from a distance while a full function remote control puts you in command wherever you are. The water tank is detachable for easy maintenance and cleaning.

Product Dimensions (in): 13.5 (W) 15.7 (D) 31.5 (H)  
Net Weight: 8.4 kg / 18.5 lbs
