Re: T150 Hand Tool End of Life Notification

To Our Valued Customer:

To better serve your business, we inform you of the following change.

Effective immediately, our T150 hand tool and replacement part service have been discontinued. A replacement option would be HellermannTyton's EVO® 9 hand tool which offers superior functionality and ergonomics.

Current HT PN	Recommended Replacement	Customer PN	Last Order Year
T150	110-80000	75Y3459	2017

All open orders will be fulfilled. For additional information or assistance please contact your HellermannTyton Customer Service Representative. Please contact your HellermannTyton Sales Representative for a replacement tool quote.

We appreciate your support in this change and thank you for your continued business.

Sincerely,

Kelsey Shrader  
Quality Project Engineer
