## Part No. 45-1231.11E8.000.102, Illuminated Pushbutton

[Specifications](#) | [Bill of Materials](#)

### Specifications

|                              |                                        |
|------------------------------|----------------------------------------|
| Actuator                     | <a href="#">Illuminated pushbutton</a> |
| Lens Colour                  | Red, transparent                       |
| Function                     | 2 Positions, momentary (O<I)           |
| Housing Material             | Plastic                                |
| Shape of Handle or Frontring | raised/ level to bezel                 |
| Lock System                  | None                                   |
| Key                          | None                                   |
| Key Type                     | None                                   |
| Switching Angle              | None                                   |
| Contacts                     | 1NC                                    |
| Terminal                     | Screw terminal                         |
| Voltage Illumination         | 230V AC                                |

|                                   |                                                                        |
|-----------------------------------|------------------------------------------------------------------------|
| Mounting Type                     | Front mounting                                                         |
| Mounting Style                    | Holder                                                                 |
| Environmental Rating              | IP66, IP67, IP69K                                                      |
| Industry Standards/Certifications | UL, CSA, VDE, CCC, CE, RoHS                                            |
| Switching Function                | On-Off                                                                 |
| Illumination                      | Red                                                                    |
| Contact Material                  | Silver                                                                 |
| Termination Style                 | Screw                                                                  |
| Mechanical Life                   | Maintain 500'000 switching cycles Momentary 3'000'000 switching cycles |
| AC Voltage                        | 500 V                                                                  |
| DC Voltage                        | 500 V                                                                  |
| Switching Current                 | 10 A                                                                   |

Bill of Materials

|                  |                  |
|------------------|------------------|
| Actuator         | 45-2231.11E0.000 |
| Holder           | 45-2300.1000.000 |
| Switch Element 1 | 45-312.1Z10      |
| LED Module       | 45-320.1E18      |
