| <p><b>Description and Purpose:</b></p> <p>This notice extends the last time buy and last ship dates for the affected devices listed in this notice. These devices were originally listed in PD22098X which was not distributed to all impacted customers in a timely manner.</p> <p>Please note ON Semiconductor will make every effort to fulfill last time buy orders in a timely manner but if the inventory for a product need to be replenished by a new build to meet an additional last time buy demand, caused by extending the last time buy period, a customer may experience a longer lead time for their last time buy order.</p> <p>Some of the devices contained in this notice may be part of a product portfolio renewal process or a manufacturing facility closure. ON Semiconductor continually monitors worldwide sales and billings activities on all the products offered to its customers.</p> <p>The activity for the products on the attached device list has declined to a level that warrants the discontinuance of these products or the manufacturing facility has been announced for a closure. Some devices may have an alternate standard device or a suggested replacement as an alternative solution.</p> <p>ON Semiconductor wishes to promptly inform our customer of our intent to exit this small portion of our overall portfolio so that you may plan appropriately and effectively for replacement devices.</p> <p>ON Semiconductor has provided a list of replacement devices, where available, to aid in this process.</p> <p>For those devices that have no recommended replacement identified, ON Semiconductor has partnered with Rochester Electronics who will carry any remaining device inventory.</p> <p>PLEASE NOTE: ON Semiconductor may implement minimum order quantities or dollar amounts based on inventories available. Also, Devices on this Product Discontinuance become NCNR (Non-Cancelable, Non-Returnable).</p> <p>For questions or concerns regarding this notification, please contact your local sales office or customer service representative.</p> <p>Additional contacts are:</p> <table border="0"> <tr> <td style="vertical-align: top;"> <p>Americas:</p> <p>Tom Siegel (tom.siegel@onsemi.com)<br/>☎ +1 765 868 5022<br/>USA</p> </td> <td style="vertical-align: top;"> <p>Europe:</p> <p>Andrej Tomasik (andrej.tomasik@onsemi.com)<br/>☎ +421 33790 2229<br/>Slovakia</p> </td> </tr> <tr> <td style="vertical-align: top;"> <p>Japan:</p> <p>Isao Usuki (isao.usuki@onsemi.com)<br/>☎ +81 3 5817 1060<br/>Japan</p> </td> <td style="vertical-align: top;"> <p>Asia Pacific:</p> <p>Stephen Ng (stephen.ng@onsemi.com)<br/>☎ +852 2689 0209<br/>China</p> </td> </tr> </table> |   | <p>Americas:</p> <p>Tom Siegel (tom.siegel@onsemi.com)<br/>☎ +1 765 868 5022<br/>USA</p> | <p>Europe:</p> <p>Andrej Tomasik (andrej.tomasik@onsemi.com)<br/>☎ +421 33790 2229<br/>Slovakia</p> | <p>Japan:</p> <p>Isao Usuki (isao.usuki@onsemi.com)<br/>☎ +81 3 5817 1060<br/>Japan</p> | <p>Asia Pacific:</p> <p>Stephen Ng (stephen.ng@onsemi.com)<br/>☎ +852 2689 0209<br/>China</p> |
