

PRODUCT CHANGE NOTIFICATION PCN 2018002

Manufacturer(s): STEGO Elektrotechnik GmbH, Germany/STEGO France S.A.

Supplier, Contact: STEGO, Inc. (USA), Damir Dobric, Operations Manager, ddobric@stegousa.com

Product(s) affected: Series CR 130 & Series CS 130 Fan Heaters

Part Numbers:	<u>Series CR 130</u>	<u>Series CS 130</u>
	13051.0-00	13052.0-00
	13051.0-02	13053.0-00
	13051.0-03	13054.0-00
	13051.0-04	13054.0-01
	13051.0-06	13059.9-00
	13051.9-00	13059.9-02
	13051.9-03	
		13060.0-00
		13060.0-01
		13060.0-03
		13060.0-04
		13060.9-00
		13060.9-01
		13060.9-02

Effective Date: Product **manufactured** after June 4th, 2018

Description: Hole pattern of the rear mounting brackets for screw mounting will be changed from 5.6 x 2.6" (142 x 67 mm) to **5.9 x 3" (150 x 75 mm)**; *see attached drawings*

Reason(s) for change: The new hole distances will comply more readily with the more widely adopted 25mm (and multiples) grid spacing used in Europe and overseas.

Implementation: Only a fraction of the above part numbers have been sold in N.A.

The modification is considered minor with little or no impact to most customers. We will therefore deplete existing inventory "as-is" and transition to the new hole pattern without further notice. Spare brackets in either hole pattern will be kept on hand in limited quantity and for limited time for customers requiring one or the other for retrofit after the change.

PLEASE SHARE THIS PCN WITH ALL DEPARTMENTS & PERSONS AFFECTED WITHIN YOUR ORGANIZATION, AS WELL AS WITH CUSTOMERS THAT MIGHT BE AFFECTED BY THIS CHANGE.

THANK YOU!
