Sensor Boards for Digital Accelerometers

Sensor Boards for Digital Accelerometers

SCA3100-D04-PCB:3 axis Accelerometers, Range +/-2g

SCA3100-D07-PCB:3 axis Accelerometers, Range +/-6g

Application: High accuracy accelerometers, SHM for automotive, industrial, healthcare equipment

A chip carrier PCB with SCA3100 series

*[SCA3100-D04](#), [SCA3100-D07](#)

Need to connect to **MEMS Interface Board** for evaluation

*No Interface Board included

*The package does not come with the manual. Please refer to the related document of our Web site.
