

DISCREET DESIGN AND RELIABLE PERFORMANCE!

The new Prestigio RoadRunner 325 is always ready to capture any road situation. 4-layer glass lens and 4x digital zoom ensures that every single detail will be recorded in Full HD video quality. A bright 2 inch screen provides a convenient video playback to identify vital details like license plates, driver actions and road features to prove your innocence in seconds whilst remaining on the road. The RoadRunner is compact so it can be discreetly placed in the car without attracting attention.

- **FULL HD VIDEO:** Optimal Full HD quality ensures clear images and makes each detail of your trip visible.
- **BRIGHT 2.0" SCREEN:** it is easy to customize image options like clarity, contrast and colour settings with 2-inch LCD screen.
- **MOTION DETECTION:** in this mode the video shooting, starts only when detecting a new movement in the frame, allowing you to reserve the memory card for a longer video.
- **ALMOST INVISIBLE:** The RoadRunner 325 is very compact and can be discreetly placed in the car without attracting attention.
- **12 MP CAMERA:** Take high quality pictures with a 12 MP camera and zoom up to 4 times digitally.
- **G-SENSOR:** Detects collision, hard braking or acceleration and the camera automatically marks the current footage for safekeeping.

Display Size	2.0" 960x240 px
Processor	NT96223
