

SAC 20dB In-line Sat Amplifier

AE9701

- Designed for in-line SAT IF Boost
- Powered by the receiver via coax cable
- Low inter modulation distortion
- DC pass both ways
- 500mA power pass for LNB
- Zinc die cast nickel plated housing
- Impedance: 75Ω

Code	Freq (Mhz)	Gain (dB)	Slope (dB)	Noise Figure (dB)	Power Consumption
AE9701	47-2400	13	7	<5dB	12~18VDC
