

Foldable Mini Photo Studio Halogen 40 x 40 x 40 cm

General information

This convenient foldable photo studio is supplied with two lamps, four exchangeable background colours and a mini stand that can be adjusted in height. The nylon walls and lamps reduce sheen and sparkles in the photo's. Even for an unexperienced photographer it will now be child's play to create beautiful photo's that are correctly illuminated and have the correct colour ratio. The photo's barely need touching up, which is very convenient when you often place products on auction web sites. This photo studio works best with a compact camera or a lightweight reflex camera. This photo studio is supplied with a carrying bag.
