RE: LFPCN41214

From: Littelfuse Product Management Team

## Dear Customer,

Please be aware that Littelfuse is discontinuing the production of PLED5HT/PLED5Q12 due to decreased demand and suggest PLED6N as replacement Parts, as an responsible supplier, Littelfuse goal is to minimize any negative impact this discontinuation may have on your production cycle. Therefore, the purpose of this letter is to describe Littelfuse 's policy for the discontinuation, offer a last time buy opportunity, and ensure proper notification of this program and trigger replacement part qualification in customer side.

PLED5HT/PLED5Q12 will be discontinued as well as the terms and conditions for the last time buy. Please contact your Littelfuse regional sales office with any questions you may have.

## Terms & Conditions for last Time Buy

1. All P.O.'s must be placed by 08.01,2018.
2. All deliveries must be scheduled prior to Oct.31.2018.
3. Order acceptance is subject to Littelfuse's Standard Terms & Conditions, including but not limited to, credit approval, minimum order requirements and minimum shipments quantities.
4. All P.O.'s are non-cancelable and cannot re-scheduled. This must be indicated on Purchase Order.
5. Devices are not returnable except under Littlefuse 's standard warranty.

Best Regards

Meng Wang
