

## 10 PC 5/16" X 1/8" MAGNETS

#53437

-Use around the workshop, in tool boxes, and more. -Super strong neodymium; 5 times stronger than earth magnets. -Nickel plated to resist corrosion. -Case pack: 36.

## 2 PC 1/2" X 1/8" MAGNETS

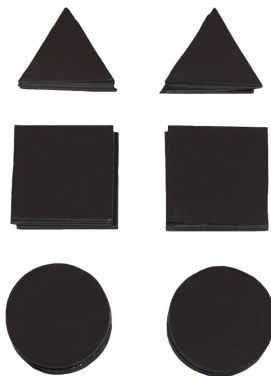

#53438

-Use around the workshop, in tool boxes, and more. -Super strong neodymium; 5 times stronger than earth magnets. -Nickel plated to resist corrosion. -Case pack: 36.

## 30 PC FLEXIBLE MAGNETS

#53443

-Use around the home or workshop for crafts, and tool boxes. -High energy flexible magnets feature magnetism on both sides. -Includes: 10 of each (circle, triangle and square). -Case pack: 36.

## MAGNETIC CUP HOLDER

#53445

-Use to keep beverages close and readily available. -Can fit coffee mugs, pop cans, water bottles, and more. -ABS plastic with powerful magnet attaches to any ferrous surface. -Case pack: 36.

## MAGNETIC SPRAY CAN/SDRIVER HOLDER

#53447

-Use to keep two spray cans and five screwdrivers within reach. -Heavy duty, 19 gauge steel construction. -Powder coated finish. -Six rubber coated magnets provide a firm hold. -Case pack: 12.

## MAGNETIC SCREWDRIVER HOLDER

#53449

-Use to keep screwdrivers organized and within reach. -ABS molded plastic with super strong magnets that attaches to ferrous surfaces and holds up to 10 screwdrivers. -Case pack: 36.
