Description

Game Max Centauri is a Midi Tower gaming case with a transparent side panel and with 3 x 120mm fans which can be fitted at the front giving the Centauri a unique style, whilst keeping the system cool. The front can also support a 240mm radiator.

The I/O Ports are conveniently located at the top of the case, giving the user easier access and with an all black interior complete the luxurious and outstanding design of the Centauri.

The Centauri is compact but has a big space allowing you to install graphic cards at a maximum length of 340mm, matching with MATX motherboards allowing you to save desk space by this latest designed chassis.

Key Features

- Compact design but the Centauri comes with a big space inside allowing you to build your PC the way you want
- Install up to 6 fans, 3 x 120mm at the front, 2 x 120mm at the top and 1 x 15 blue LED at the back
- Support up to 155mm CPU cooler
- Support up to 340mm graphic cards
- Cable management behind motherboard plate to reduce cable mess
