

12500 TI Boulevard, MS 8640, Dallas, Texas 75243

**PCN# 20180614000.1A**  
**Add Cu as Alternative Wire Base Metal for Selected Device(s)**  
**Change Notification / Sample Request**

**Date:** September 12, 2018  
**To:** PREMIER FARNELL PCN

Dear Customer:

Revision A is to announce the addition of new devices that were not included on the original PCN notification.

This is an announcement of a change to a device that is currently offered by Texas Instruments. The details of this change are on the following pages.

We request you acknowledge receipt of this notification within **30** days of the date of this notice. Lack of acknowledgement of this notice within 30 days constitutes acceptance of the change. If you require samples or additional data to support your evaluation, please request within 30 days.

The proposed first ship date is indicated on page 3 of this notification, unless customer agreement has been reached on an earlier implementation of the change.

This notice does not change the end-of-life status of any product. Should product affected be on a previously issued product withdrawal/discontinuance notice, this notification does not extend the life of that product or change the life time buy offering/discontinuance plan.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Manager ([PCN\\_ww\\_admin\\_team@list.ti.com](mailto:PCN_ww_admin_team@list.ti.com)).

Sincerely,

PCN Team  
SC Business Services

**20180614000A**  
**Attachment: 1**

**Products Affected:**

The devices listed on this page are a subset of the complete list of affected devices. According to our records, these are the devices that you have purchased within the past twenty-four (24) months. The corresponding customer part number is also listed, if available.

<b>DEVICE</b>	<b>CUSTOMER PART NUMBER</b>

### PCN Details

#### Description of Change:

Revision A is to announce the addition of new devices that were not included on the original PCN notification. These new devices are under **Group 2 & 3** in the Product affected section below. The expected first shipment date for these new devices will be 90 days from this notice (**Dec 13, 2018**) for these newly added devices only. The proposed 1<sup>st</sup> ship date of Sept 15, 2018 still applies for the original set of devices.

Texas Instruments is pleased to announce the qualification of new assembly material set to add Cu as an additional bond wire option for devices listed in "Product affected" section below. Devices will remain in current assembly facility and piece part changes as follows:

#### Material Differences:

##### Group 1 Device:

Material	Current	Proposed
Wire	Au	Cu

##### Group 2 Device:

Material	Current	Proposed
Wire	Au	Cu
Lead finish	NiPdAu	NiPdAu (Roughened Single Side)

##### Group 3 Device:

Material	Current	Proposed
Lead frame thickness/finish	10 mils, NiPdAu	6mils NiPdAu (Roughened Single Side)
Wire	Au	Cu
Mount compound	4042500	4147858
Mold compound	4205694	4211880

#### Reason for Change:

Continuity of supply.

- 1) To align with world technology trends and use wiring with enhanced mechanical and electrical properties
- 2) Maximize flexibility within our Assembly/Test production sites.
- 3) Cu is easier to obtain and stock

#### Anticipated impact on Material Declaration

<input type="checkbox"/>	No Impact to the Material Declaration	<input checked="" type="checkbox"/>	Material Declarations or Product Content reports are driven from production data and will be available following the production release. Upon production release the revised reports can be obtained from the <a href="#">TI Eco-Info website</a> . There is no impact to the material meeting current regulatory compliance requirements with this PCN change.
--------------------------	---------------------------------------	-------------------------------------	---

**Anticipated impact on Fit, Form, Function, Quality or Reliability (positive / negative):**

None.

**Changes to product identification resulting from this PCN:**

None.

**Product Affected: Group 1**
