

Product Change Notification

Date of Publication:

September 13, 2018

PCN Device:

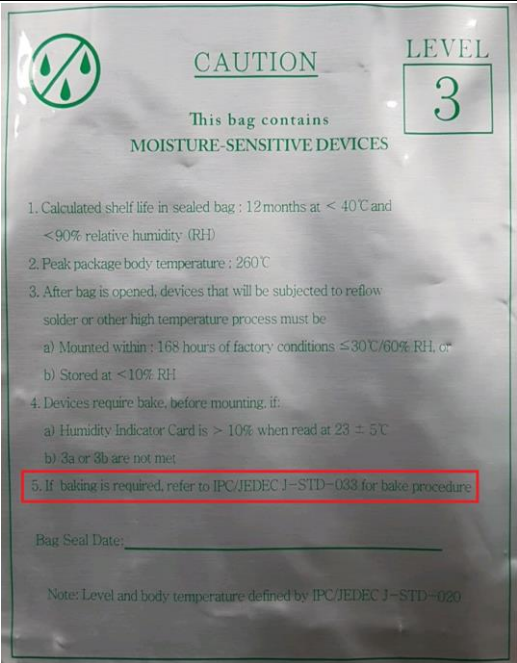

Product	Model Name	Device ID
ARTIK305s	SIP005AFS30	SIP-003AYS052
ARTIK530s	SIP005AFS30	SIP-005AFS302
ARTIK530s 1G	SIP005AFS30	SIP-005AUS332
ARTIK710s	SIP007AFS00	SIP-007AFS002
ARTIK711s	SIP007AUS11	SIP-007AUS112

Description of Change:

Change the phrase on the Aluminum Bag

In order to provide more specific information to the customer, SAMSUNG decided to change the phrase on the aluminum bag as shown in the table below. This phrase is for baking condition, and has been changed from a standard document number to a specific condition.

However, SAMSUNG manages inventory on a first in first out (FIFO). Subsequently, customer’s request for a specific revision of material will not be supported by SAMSUNG.

As-is		
To-be	5. If baking is required, devices may be baked for 24 hours at 125 +5/-0°C	

Schedule:

Milestone	Date
New AL bag to be applied to mass production	Running Change (Effective immediately)

Customer Impact of Change and Recommended Action:

ARTIK team anticipates no impact to customers from these changes.

Please contact your local sales office or distributor if you require more information. We will notify you again if any further changes.

Sincerely,
IoT Business Team / Samsung Electronics Co., LTD
