

## Heavy Duty Lifting Blanket

FFBMB

This heavy WEIGHT, high quality, full size (72 inch x 80 inch) moving blanket/furniture blanket weighs 6.7 pounds. Use it to protect your appliances and furnishings during a move or storage. During a remodel, use to protect your floors from falling or stepped on tools, materials or fixtures. Can also be used to protect your vehicle's trunk/cargo area. This blanket's orange side makes it great for hunters too. This pad is individually packed in a reusable poly zip bag. Lastly, our pad is Forearm Forklift branded and this is a brand that most americans already know and trust when it comes to moving/lifting products
