

LED Clip-on Light

SATIN SILVER DN1057

This is one of the products from the StarMag™ range. The hands-free clip-on LED light uses batteries which last up to 50 hours and is a great companion for crafting or reading as it easily clips onto a book or crafting frame (hoop), directing light where it is needed. The light from the LED is natural daylight, ideal for enhancing contrast and fine detail to see better and providing healthier vision.
