

DCZ285M2T-GB

The **DCZ285M2T** from DeWALT comes complete with two powerful and durable DeWALT power tools, the DCD785 XRP 2-Speed compact hammer drill and the DCF885 impact driver, suitable for a wide range of drilling and driving applications. Both are powered by DeWALT's long-life XR Li-Ion batteries, designed for efficiency and better performance

Compact Hammer Drill (DCD785)

2 speed all metal transmission

14 position adjustable torque control

Maximum torque: 35Nm

Drilling capacity steel: 13mm

Drilling capacity wood: 38mm

Frees speed: 0 → 600/ 2000 rpm

Impact rate: 0 → 10200/ 34000ipm

Keyless chuck

Automatic spindle lock for fast bit changes

Bright white LED with flashlight functionality

Impact Driver (DCF885)

1/4in (6.35mm) keyless hex driver

LED with flashlight functionality

Ergonomic design

All metal gearing

Maximum bolt size M12

Maximum torque: 155Nm

Free Speed: 2800 rpm

Impact Rate: 3200ipm

Supplied with

2 x 4.0Ah Li-Ion batteries, multi-voltage charger & T-STAK II Box
