Instructions For Use:

Fit Scalp Protector on head and fasten strap to ensure correct fit. For adequate protection this cap must be worn with the peak facing forward and adjusted to the size of the users head. Do not use in place of an Industrial Safety Helmet.

Limitations Of Use:

Protection will only be offered if the cap is fitted correctly. The cap is not designed to protect the wearer from falling masses. Any cap subjected to severe impact should be replaced immediately. Do not apply paint, solvents, adhesives or self-adhesive labels, except in accordance with instructions from the manufacturer. The liner, when in contact with the skin may cause allergic reactions to susceptible individuals. If this occurs leave the hazard area, remove the cap and seek medical advice.

Cleaning & Maintenance:

The liner may be cleaned with soap and warm water and dried with a soft cloth. Chemical or abrasive cleaners should not be used. The cover can be brushed clean with a stiff brush. The cap should be stored out of direct sunlight, away from chemicals and not exposed to extremes of temperature.
