EDIFIER®

S1000DB
2.0 Bookshelf Speaker with Bluetooth aptX®
Studio Series

Inspired by the classics, the Edifier S1000DB is Edifier's latest 2.0 bookshelf speaker system featuring Bluetooth aptX® for seamless connection. With the added incentive of optical, coaxial and auxiliary inputs, the S1000DB is Edifier's latest admission into our Studio Series.

Designed with classic wooden side panels, the S1000DB is angled to ensure front facing drivers are positioned for optimum performance without compromise. The S1000DB delivers a hefty 120watts in a stylish yet simplistic form factor.
