Notice Of Discontinuation

In an effort to keep our customer base up to date with our product line, Aven will be discontinuing the following items:

26100-243 - Mighty Cam USB 5M CMOS Camera With ezMeasure Software

This item will be replaced with a new Mighty Cam camera in the upcoming weeks.

NOTE: *Any pre-configured inspection system featuring this item will feature the replacement camera. We will provide updated pricing as soon as it is available.*

We will send out a notification when the replacement item is available. We thank you for your understanding and support.

-The AVEN Team
