

HD830 External Hard Drive

ARMOR FOR YOUR DATA

HD830 External Hard Drive

Whereas other external drives might be durable, the ADATA HD830 is virtually indestructible. It features a robust triple-layer construction and sturdy aluminum exterior that can withstand 3000kg of downward pressure. What's more, it's waterproof and dustproof.

A Knight in Shining Armor

The HD830 is crafted with a boldly grooved surface with a sandblasted finish and two sturdy side columns that give it the look of a true warrior.

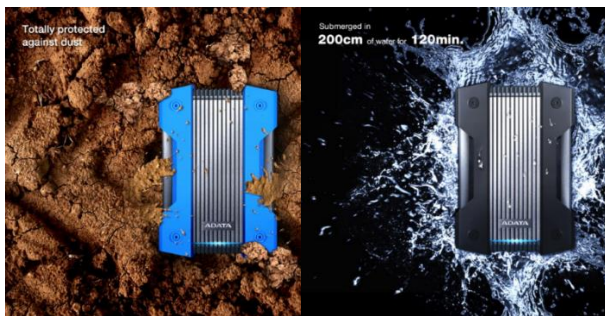

Nearly Unbreakable

The tough aluminum exterior isn't just capable of surviving nasty drops and blunt force, but can also handle 3000kg of downward pressure.

Water and Dust are No Match for This Warrior

The HD830 exceeds the IP68 rating and is dustproof and waterproof. It can handle submergence in 2 meters of water for 120 minutes.

Features

- 3000kg high pressure-resistance
- Military-grade shock-resistance – Drop-tested from 1.22m
- Beyond IPX8 Waterproof (Can survive 2m of water for 120 minutes)
- IP6X dustproof
- Durable triple-layer construction
- Shock sensor technology
- Aluminum exterior with a sandblasted finish and two sturdy side columns
