

# Portable USB High Capacity Power Bank 8000mAh

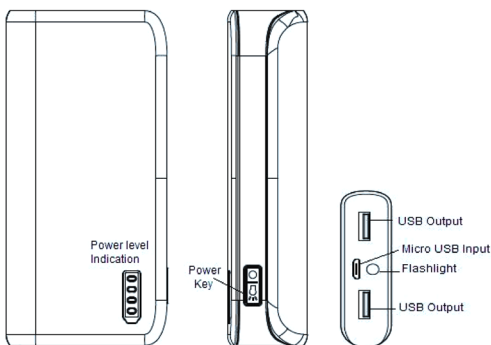

## Features

- 8000mAh battery capacity
- Cylindrical lithium-ion battery
- Overcharge and over-discharge protection
- Input over voltage protection and output over voltage protection
- Output current protection and short circuit protection
- Small and beautiful, portable and convenient to use
- Automatic power-off
- Intelligent LED battery indicators
- Compliant with FCC,CE
- Suitable for smart phones, iPod, iPad, Camera etc.

## Specifications

Input	: 5V/2000mA
Output	: USB 1: 5V/1000mA USB 2: 5V/2000mA
Output Over-current Protection	: YES
Ripple and Noise	: $\leq 180\text{mVp-p}$
Operating Temperature Range	: 0 ~ 45°C
Storage Temperature Range	: $< 60^\circ\text{C}$
Colour	: White
Size (L×W×H)	: 102mm × 78mm × 23mm
Weight	: 231g
Overload Protection	: Yes
Short Circuit Protection	: Yes
Efficiency	: $\geq 79.28\%$
User Manual	: English Version
