CANYON GAMING
CHAIRS

How much time

per day do you sit in your chair playing games and working? If it's at least 3-4 hours, then you might feel that a regular office chair does not provide enough comfort, is wearing out fast and doesn't look cool.

Comfort above all

The number one reason most gamers look for a gaming chair is comfort. Canyon Gaming Chairs contain all must-have features like adjustable backrest recline, headrest and lumbar pillows, soft customizable armrests and controllable height. In order to win like a pro, it's exceptionally important to feel good while sitting, as well as to have a chance to lean back, stretch, boost blood circulation and have a short, but qualitative rest between long gaming sessions.

- Long gaming session basics:**
- posture support,
 - back support,
 - lumbar support,
 - headrest pillow.

Win in style

Another good reason to consider Canyon Gaming Chair is their design.

Canyon offers unique bucket-style well-contoured chairs that are pleasant to use and add great appearance to any gaming setup.

CND-SGCH2

Gaming chair Vigil

Stunning Sport Battle chair for those gamers who happen to be on the budget. It has almost all features for beginner gamers that a chair may offer. The dense foam under high-quality eco leather provides decent seating experience. Headrest pillow and adjustable up&down armrests provide additional support to your body. The chair has 5-star nylon base with 60mm Polyurethane wheels that provide utmost stability, and free glide across all surfaces. Using its certificated Class-4 gas-lift you can easy adjust height according to your needs.

CND-SGCH2

5291485004279

- 5 Star nylon base with 60 mm PU caster wheels
- Last generation Class-4 gas lift
- Dense original foam
- High quality eco leather
- Headrest pillow
- Adjustable armrests
- Maximum weight of chair load - 130kg

Headrest support

No more pain in the neck and shoulders! The soft headrest pillow provides additional support to your head and makes your neck relaxed. Outrank your enemies by keeping strong and sure in-game performance.

High-quality leather and foam filling

The chair is covered with pleasant-touch an high-quality eco leather that is durable and easy to clean. Almost identical leather is used in luxury car seats. Under the overage, a dense original foam is placed. It surrounds your back and softens your body, allowing to keep your muscles comfortably toned.

Adjustable armrests

The arms of the chair can be adjusted in "up" or "down" position, to make sure your elbows move right during intense battles. This feature helps you to sit tightly and confidently through hours of gaming

Height adjustment

Unlike many chairs that actually sit pretty low to the floor, this chair has powerful Class-4 gas lift that allows to easily make your seating fit the height of your desk. Canyon uses the latest generation gas lifts that are carefully tested and only the best are selected.

Firm and stable base

5-star nylon base ensures stable seating and large 60 mm polyurethane caster wheels roll quietly and freely on any surface. The chair becomes very supportive and provides comfortable moves while seating. Unfailing assistance for a perfect win!
