Affected products

Refer to Appendix.

Description of change

Change the quantity per box from 112 to be 32 PCS/BOX

Reason for change

The sales of full box quantities should be more stimulated to reduce the effort of repacking and to rise the quality (lower risk of delivering wrong quantity or wrong product, lower risk of transport damage, better traceability)

Impact for the customer

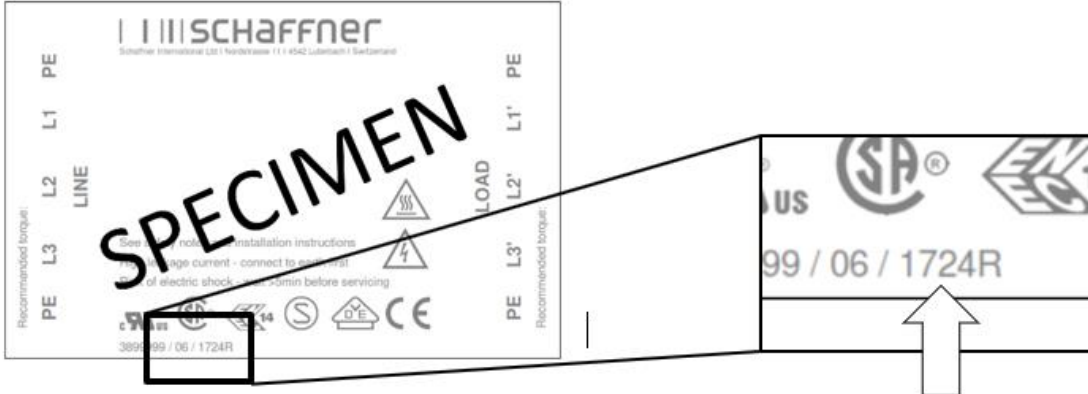

No impact on specifications nor performance of final product.

Identification

There is no visual difference of the products.
Size of box and quantity per box will change to a smaller box.

Estimated Schedule

Expected date of first manufacturing with new box and quantity

production site	encoded date	production date code
Thailand	2018 CW51	1851

Dependent on depletion of current inventory of material, customers may continue to receive current material beyond the planned “first manufacturing new design”.
