Same Satisfaction for a fraction of the price.

The Click Keyboard is the go to choice for first time gamers and people looking for a great experience on a budget. With the click satisfaction you would expect from a mechanical keyboard and durability of a premium keyboard, nothing about this feels like a compromise.

Easily adjust the colour of mode of the click and illuminate every key, colours include Red, Green, Blue, Cyan, White, Purple and Yellow.

Responsive 19 Key Anti-Ghosting

Never worry about duplicate key strokes in game again. With 19 Key anti-ghosting every press will be registered.
