

15-Jun-2018

PCN #:E-18-009238

Subject:TE Corcom LA Series Filtered Power Entry Modules

Description of Change: The following part numbers are being obsoleted (obsolete status) with immediate effect. TE can no longer produce these items. Please note that the estimated last order date and last shipment dates are system-generated and do not apply to these products. If there are suggested TE Connectivity substitute part numbers or alternate part numbers, they are shown below with any significant difference described. Please verify that all substitute or alternate part numbers provided below are suitable for your specific application- Drawings are available via TE.com.

Reason: Discontinuance. Dear Customer, You are receiving this notice because TE Connectivity has record of you purchasing a part or multiple parts on the list below. Within our continued efforts to manage/ optimize our product portfolio throughout the lifecycle, we've made the decision to obsolete the parts stated thereafter.

Impact of Change:form - fit - function
