## **KEMET Part Number: C322C561G5G5TA**

GoldMax 300 Comm C0G, Ceramic, 560 pF, 2%, 50 VDC, C0G, GoldMax, Commercial Standard, Lead Spacing = 5.08mm

| General information |                              |
|---------------------|------------------------------|
| Supplier:           | KEMET                        |
| Series:             | GoldMax 300 Comm C0G         |
| Style:              | Radial                       |
| Description:        | GoldMax, Commercial Standard |
| RoHS:               | Yes                          |
| Termination:        | Tin                          |
| Failure Rate:       | N/A                          |
| Halogen Free:       | Yes                          |
|                     |                              |

Conoral Information

| Dimensions |                      |
|------------|----------------------|
| L          | 5.08mm MAX           |
| Н          | 6.6mm MAX            |
| Т          | 3.18mm MAX           |
| S          | 5.08mm +/-0.78mm     |
| LL         | 7mm MIN              |
| F          | 0.51mm +0.1/-0.025mm |

| Specifications                      |                     |
|-------------------------------------|---------------------|
| Capacitance:                        | 560 pF              |
| Capacitance Tolerance:              | 2%                  |
| Voltage DC:                         | 50 VDC              |
| Dielectric Withstanding<br>Voltage: | 125 V               |
| Temperature Range:                  | -55/+125C           |
| Temperature Coefficient:            | COG                 |
| Dissipation Factor:                 | 0.10% 25C           |
| Aging Rate:                         | 0% Loss/Decade Hour |
| Insulation Resistance:              | 100 GOhms           |

| Packaging Specifications |           |
|--------------------------|-----------|
| Packaging:               | Bulk, Bag |
| Packaging Quantity:      | 500       |

Statements of suitability for certain applications are based on our knowledge of typical operating conditions for such applications, but are not intended to constitute - and we specifically disclaim - any warranty concerning suitability for a specific customer application or use. This Information is intended for use only by customers who have the requisite experience and capability to determine the correct products for their application. Any technical advice inferred from this Information or otherwise provided by us with reference to the use of our products is given gratis, and we assume no obligation or liability for the advice given or results obtained.
