Description and Purpose:			
SOIC-8 MSL 1 products will be packed two reels per intermediate box in order to optimize dimensional shipping weight and reduce waste. There is no change to the form, fit or function of the product. There is no change in box size or box specification. Customers may continue to order single reel increments with no change in box size or packing. If customers order in multiples of two reels, the reels will be packed two reels per intermediate box.
