

Part Number: BWS-SFIDS-NA-CD

Description: Brady Workstation Safety & Facility Identification Software Suite

## Overview

Keep your facility safe and compliant with the Safety & Facility Identification Suite. This group of apps makes it easy to create custom signs, labels and pipemarkers.

- Custom Designer - Complete, customized label creation and editing.
- Express Signs - Create safety and facility signs in minutes with predefined templates and layouts.
- Arc Flash - Create NFPA compliant arc flash labels in a few clicks.
- Arrow Tape - Create arrow tape labels with predefined templates to show pipe flow direction.
- Pipemarker - Easily create ANSI/ASME compliant pipe markers using predefined templates.
- Sequence - Easily create labels based on numeric and alphanumeric sequences.
- Excel Import - Easily import Excel data right onto your labels.
- Template Editor - Create templates with locked or editable elements for consistent label creation.
