

STYLISH SMARTWATCH WITH MAGNET BUCKLE FOR ACTIVE LEISURE

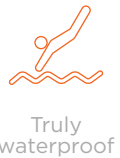

This smartwatch is created for people who prefer to stay in a good shape and enjoy active outdoors. Set your current workout type and keep an eye on your achievements! In addition to tracking your fitness activities, this smartwatch lets its owners stay connected during the workout and the whole day, get weather data, wake up smoothly and follow their schedule seamlessly. The metal wristband is locked on your hand by a small and firm magnet buckle. A perfect choice for those who prefer the combination of functionality and attractive design!

2 STRAPS INCLUDED:
metal with magnet buckle
and TPU strap
