

Small Multipurpose Boxes with Lids

Description

These boxes are moulded in ABS to give maximum strength and to produce a professional looking product which can be easily punched or drilled for individual requirements. They are available in black, white or light grey as standard with other RAL colours.

The HBT3, HBT3W and HBT4 have an overall matt finish, whereas the T2, T2W, T3, T3G and T3W have a polished finish. The lids are retained by 4 countersunk self tapping screws.
