

Strike

Mechanical Keyboard

Outemu Red Switches

The mechanical keyboard comes with red outemu switches ensuring precise and comfortable gaming. Outemu switches are often paired with cherry MX switches for quality but for half the price they make a great alternative.

Individual RGB Backlighting

The strike has individual keys with LED backlight to create a powerful RGB glow and with 13 different colour modes and 7 static colours, the Strike will be the perfect keyboard for any gaming set-up.

Anti-Ghosting Keys

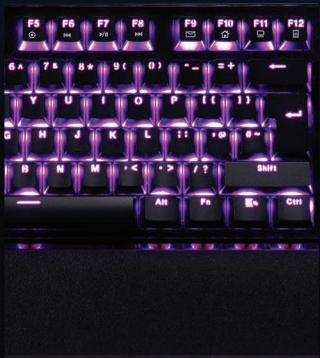

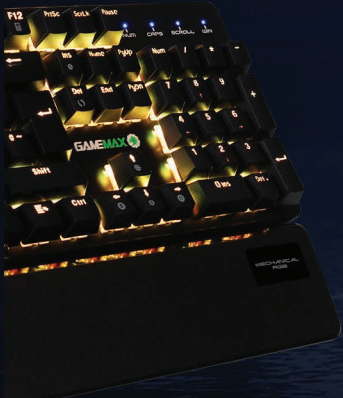

Durable Key Caps with Curved Grip

Unique Bicolour mould ensure durable keycaps, the character of the keycaps with double-shot moulding, never fade.
