

Product Change Notification

PCN Number : PCN076

Product Category : 2.4mm SMD Green LED – End of Life

Issue Date : 25-Apr-2019

Effective Date : 25-Apr-2019

LTB Date : 01-Dec-2018

LTD Date : N/A

Description of Change : The luminous intensity of the product will increase to 700 mcd minimum at 20mA with a typical output of 1200 mcd. All other mechanical attributes remain the same.

Reason for Change : Luminosity was increased by **chip manufacturer** to provide higher brightness at same current draw.

Change to Form Fit Function: Increased brightness at same current will be achieved compared to previous model. All other physical attributes will remain the same.

Parts Affected :
