

Notification	
Product Code	NLHDMI-EXT**M
Short Description	HDMI HS & E Cable, Active, Black
Full Description	<p>The NEWlink boosted HDMI cables are made from Oxygen Free Copper(OFC) providing a high quality connection between devices. The cables are active boosted to achieve a larger distribution of up to 50 metres (depending on model bought).</p> <p>The USB connector is for extra power and not needed under normal use. Please note that due to the cable being actively boosted, it is to be installed correctly in accordance with the input/output labelling (the output being connected to TV/Display etc).</p>
