| Notification | |
| Product Code | 99HDHS-1**WT |
| Short Description | HDMI HS & E Cable, White |
| Full Description | <p>HDMI (High Definition Multimedia Interface) is a specification that combines video and audio into a single digital interface for use with DVD players, digital television (DTV) players, set-top boxes, and other audiovisual devices. HDMI supports standard, enhanced, or high-definition video plus standard to multi-channel surround-sound audio.</p> <p>High Speed with Ethernet supports up to 1080p and beyond with a built in Ethernet channel. Gold flashed contacts provide a higher quality finish while providing anti-corrosive properties.</p> |
