

Product information

95 05 20 SB

Electricians' Shears

- Precise cut: non-slip thanks to fine serration on the cutting edge
- Adapted to the human hand: the angled cutting edge and handle design for particularly ergonomic working
- with plastic belt pouch
- universal shears for electricians
- With crimping points for wire end sleeves from 0.5 to 6 mm² and 10 to 25 mm²
- handles with multi-component grips, fibreglass-reinforced
- with tether attachment point for a tool tether
- cutting edges made from stainless steel, hardness of cutting edges 56 HRC
