## Specification change: DPRI series magnetic proximity switches

IDEC would like to inform you of a specification change regarding our DPRI series magnetic proximity switches. Details are as follows:

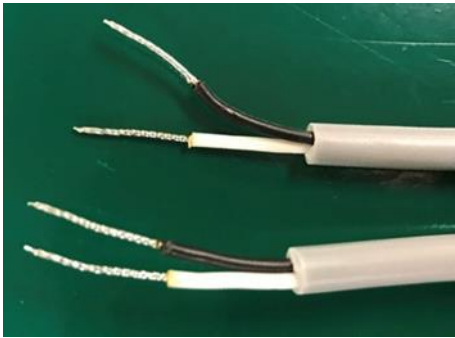

### 1. Affected models:

All DPRI series magnetic proximity switches.

**Note:** Special products are included.

### 2. Specification change:

Terminal processing of the cable will be changed, but there is no change of cable size.

Current	New
 <p data-bbox="475 1435 593 1464">Soldering</p>	 <p data-bbox="1059 1435 1182 1464">Semi-strip</p>

**Note:** There are no other specification changes.

### 3. Schedule:

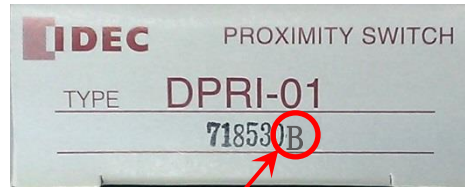

Depending on stock, updated models will be shipped after December 2018.

### 4. Part numbers and pricing will remain unchanged.

## 5. Identification

Modified products will have a letter 'B' displayed on their product cases.

This identification mark will be used with modified products made until May 2019.
