**PCN #:P-19-017128**

**Subject:**Manufacturing Location Change and new part numbers Appliances Tubing RW-175 Products

**Description of Change:** Manufacturing location change. As previously notified by PCN (P-17-014715) TE Connectivity will be moving production of RW-175 tubing to Trutnov CZ Republic. This transfer will be made in phases until all appropriate equipment has moved. The phase dates are in the attached documents. Different parts will move in different phases.

**Reason:** Dear Customer, As part of this transfer TE Connectivity will be issuing new part numbers for these transferring products. The New part numbers and a cross reference to the current and old original part numbers can be found in the attached documents. Old part numbers have been included as we are aware that not all our customers updated records from previously notified part number changes. Please note: For Spooled (-SP) and Stick (-STK) parts the sales Unit of measure will change to Metres for the -SP parts and Piece for the -STK parts.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
