

CNE-SB01BB

FITNESS BAND WITH BASIC FEATURES

A good choice for those who seek a basic set of features for the affordable price. Minimalistic design, monochromatic display, compactness, and durability - these are the principal features of this smartwatch. It does a great job in monitoring your daily activities, showing you immediate notifications and helping you to wake up with its vibrating alarm clock. Just connect the device to your smartphone using Canyon Fit mobile app and stay at the top of your day - you have such a reliable assistant for that!
