

23-Apr-2019

PCN #:P-19-017252

Subject:D3950, D5900 Series Connector

Description of Change: Manufacturing location change. Following Part Numbers will be transferred to TE Suzhou Plant (TECC) on June 2019. TECC will start Mass Production on July 2019. TE will prepare enough stock based on historic volume consumption to support our valued customers demand during the plant transition. If any case of further questions or concerns about this transfer, please contact your TE Connectivity Sales Engineer.

Reason: Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools. There is no negative influence on quality, ability to supply and form-fit-function of the concerned products.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
