

Product Change or Variation Notice

PCN-297-250817-0012-FEC

PCN Details:

PCN Document No.	PCN-297-250817-0012-FEC	Date of PCN:	29/06/17
PCN issued by:	B. Scott	PCN valid as of:	29/06/17

Dear Valued Customer

As part of our standard portfolio review process we have identified a number products which are no longer relevant to market requirements or are duplicated under the Adaptaflex brand, consequently we are giving notice that these products will have been targeted for discontinuation within the next six months.

For the next three months all parts will be available as made-to-order only, after three months a further notification will be issued and notice of a last time buy will be issued. In cases where there is an alternative in the Adaptaflex range it is detailed below and these parts will continue to be available.

Products affected by changes:

Kopex Part Number	ABB Master Part Number	Description	Adaptaflex Equivalent Part Numbers
EF150012X10-FEC	7TCA297160R0007	ELECTROFLEX 150 SERIES CONDUIT 16MM
