TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
ES-CAP drawing update

Description of Changes
This notification is to inform you of changes (improvements) to the drawing defining the product ES-CAP. The old drawing has now been superseded by the new drawing ES-CAP_BLK+CLR
Other attachments:
PCN ES CAP drawing update notification
PCN ES CAP affected part numbers file

Reason for Changes:
Product improvement. The updates include a more correct visual representation of the caps, additional dimensions defining the closed end and the usable section of the cap. The updates to the dimensions will also help to identify correct tooling dimensions for use with the caps. CAPS continue to meet the dimensions as described by the original drawing, therefore, there is No Change to Product Functionality.
