

28-Aug-2019

PCN #:E-19-012247

Subject:AMPSESAL socket terminal manufacturing location change (for Asia Pacific customers only)

Description of Change: The Industrial and Commercial Transportation business unit of TE Connectivity is transferring the following part number(s) from Greensboro, NC, USA to Suzhou, China to better serve Asia Pacific customers. These PNs are TE proprietary designs, therefore considered catalog/general market product. TE reserves the right to move tool back to prior location/supplier based on business need. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. NOTE: This change does not affect customers outside Asia Pacific (A/P) region.

Reason: Dear Customer, we hereby inform you of this change. This change is necessary to localize parts at their site of consumption to better serve our customers. The change will not impact connector performance.

IMPORTANT: The current and previous revisions of these parts can be used interchangeably in the field. The change(s) are being phased in gradually and previous revision can remain stocked until use. Shipments of both configurations may be mixed. Drawings are not affected by this change.

Key Dates:

Contact By Date:09-Oct-2019

Implementation Date:09-Oct-2019

Product Affected

770520-1

The dates on the product change notification (PCN) are best estimate dates

determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
