

# KERN OZM953

Predefined stereo microscope set with ball bearing double arm and 4.5 W ring illumination unit for safety and flexibility

## Power supply

Input voltage: 100 - 240 V

## Category

Brand: Optics

## Packaging & shipping

Delivery: 24 h  
Dimensions packaging (WxDxH): 680 x 630 x 270 mm  
Gross weight: 12,600 kg  
Net weight: 11 kg  
Shipping method: Parcel service

## Construction

Eye distance (max): 76  
Eye distance (min): 52  
Optical system: Greenough  
Rotation of tube 360°: yes  
Tube: Trinocular  
Tube angle: 45°
