

MIDLITE®

QUALITY CUSTOM PRODUCTS

Décor Brush Plate

The Midlite Décor Brush Insert offers installers a clean, on wall cable management pass through device.

The Wire Brush Insert is supplied with the Décor Plate and screw hardware.

For jobs requiring many wires, you can multi-gang the Décor Brush Plate Insert and still offer a clean custom look.

Décor Brush Inserts are available in white or black and can be paired with any color trim plate to complete your installation.

With our limited Lifetime Warranty you are assured years of superior trouble free installation.
