Sanchal

Geometric smartwatch for sports and work

This smartwatch provides a great user experience both in terms of the set of features and the design. Similarly to the Sanchal, an exotic nature-infused black salt brings new taste to any dish, this smartwatch will spice up any of your outfits, both formal and informal. Two straps of different materials provide more options for wearing. Full touchscreen for better customization and control, trendy geometric form, colorful and informative interface, stable work, music control, and an exhaustive sport presets. A great choice for people who want to take full advantage of the smartwatch functionality! The device is connected to a smartphone via Bluetooth and the Canyon Life mobile app.
