### Description

This robust cable reel has fixed anti-twist sockets which prevent connected plugs and equipment from tangling. Plug into the wall and take the reel to your work area. The integrated power switch enables you to control the power where you are working. This anti-twist reel is perfect for the home, garden and for light industrial use. The drum includes an LED indicator and has a built in safety thermal cut-out for protection against overloading when fully reeled. Compatible with the Pro-XT wall mount bracket.
