

29-Oct-2019

PCN #:P-19-018138

Subject:HVA 280 Header

Description of Change: In order to save packaging time and packaging material, we want to cancel the small PE bag, and package the finish goods with one big PE bag. At the same time, we tighten the height of the carton to reduce the shaking space of products in the carton. And this change will apply to all HVA 280 headers.

Reason: Product [improvement.In](#) order to save packaging time and packaging material, we want to cancel the small PE bag, and package the finish goods with one big PE bag. At the same time, we tighten the height of the carton to reduce the shaking space of products in the carton. And this change will apply to all HVA 280 headers.

The dates on the product change notification (PCN) are best estimate dates determined at the time of issuance. Actual implementation dates may vary from such dates.

The change described in the PCN can be withdrawn, without notice, for any or all of the products identified on the PCN.

TE Connectivity corporate policy is for PCNs to be valid for 60 days and obsolescence notices to be valid for 180 days after date of issue.

For confirmation or additional information on the change, please contact the TE Connectivity Product Information Center at 800-522-6752 or your TE Connectivity Sales Representative.
