Discontinuation of a product

Please forward this information to your electrical engineering departments and/or customers

Dear Sir or Madam

It is always our goal to offer you state-of-the-art and up-to-date products for your application. For this reason, it may be necessary from time to time for economical or technical reasons to remove one or the other components from our product range.

We herewith discontinue the articles and accessory parts stated on the attached list.

In order to cover your foreseeable demand of replacement parts, you will still be able to order the mentioned products until 30.11.2017. The last shipment will be by 01.07.2018 at the latest.

It will be our pleasure to support you in case of any changeover of your machine or system projection. If you have any questions or if you would like to make an appointment, please contact our representative, Mr (column C) (telephone «telephone», fax «fax»), Mr (column E) (telephone «telephone», fax «fax») or contact us. We look forward to supporting you.

We thank you for your understanding and look forward to continue our good cooperation.
