

Product discontinuation notification (PDN)

Title / short description	Discontinuation of old temperature transducers, output buffer amplifiers
Affected article category	Measurement and control technology
Change category	Discontinuation
Änderungsnummer	ICK190004-02

Purpose/objective of the change

Previous products with restricted functionality will be replaced with better products.

Detailed description of the change

The discontinued temperature transducers did not have SIL approval and will be replaced with new measuring transducers with SIL approval and enhanced functionality. The output signal conditioners will be replaced with one and two-channel output signal conditioners and additionally offer short-circuit detection as well as an enhanced operating temperature range. Refer to the product documentation on the Phoenix Contact homepage for information on the functions.
